

Are you an accountant with broad international experience who is energised by professionalising financial processes for an international, dynamic and exciting company? Are you not afraid to challenge a fast paced organisation and help it structure its growth? Are you able to align corporate processes with local operations across Europe? Do you have a hands-on, can-do attitude and do you seek a broad role in a compact team of finance professionals? Do you have, or would you like to get experience with a private-equity owned business? Are you ready for a new challenge?

If so, VISUfarma wants to get to know YOU!

*VISUfarma is a company with a vision: to bring global innovation to European eye health. It is an ambitious and fast-growing pan-European pharmaceutical sales and distribution company. VISUfarma employs over 175 employees in six European countries (France, Germany, Italy, the Netherlands, Spain and the United Kingdom) and through our growing international distribution network, our reach is even broader. Working for VISUfarma means you will be an important part of a “scale-up” environment, helping to create a successful business within an international and multicultural team.*

We are looking for an **Accountant** to join our team in Amsterdam, who will:

- Take full ownership of the AP/PO process.
- Manage intra group reporting and reconciliations.
- Support the monthly and annual closing process.
- Analyse, review and recommend actions to streamline financial processes.
- Initiate and execute ad-hoc accounting projects.
- Provide support for audits at various levels of the organisation.

What we are looking for:

- A motivated finance professional with a bachelor’s degree in economics, accounting or finance and at least 3 years of experience in accounting, preferably in an international company.
- Basic knowledge of local (RJ) and international accounting standards (IFRS).
- The ability to communicate effectively with different levels in the organisation, and in the different European countries in which the company operates.
- Someone who is precise, and enjoys analysis and finding efficient solutions to complex problems.
- A hands-on and practical approach, but with the ability to think strategically and see the bigger picture.
- Advanced skills in MS Excel.
- Experience with SAP or similar ERP systems is a requirement.
- Fluent in Dutch and English, any other European language is a plus.

What we offer you:

A dynamic role in an international team at the head office, and collaboration with colleagues from all over Europe. In addition, we offer a competitive salary and a stimulating workplace centrally located in the Rembrandt Tower in Amsterdam, easily accessible by public transport.
